HAVAL

THE NEXT GENERATION **H6**. A **SYMPHONY** OF MOMENTS.

High extensibility, endless possibilities

Elevate your travel experience with the HAVAL H6's diverse power adaptation capabilities. The high extensibility means that you have a selection of power modes, powertrain solutions and transmissions.

The ultimate lightweight performance

The HAVAL H6 is significantly lighter than the previous model, giving you a 14.5% increase in fuel efficiency, making it the perfect SUV for those family adventures.

The evolution and modernization of the HAVAL H6 performance offers your refined versatility, no matter the adventure. Sporting over 6 million kilometres of rigorous road tests. 18 kinds of global environmental applications ensure true adaptability and excellent responsiveness for a more extraordinary drive.

2.0GDIT Gasoline

7DCT

Front Macpherson rear multi-link independent suspension + AWD

The finest SUV performance technology.

Beyond its luxuriously good looks, the refined HAVAL H6 boasts a powerful 2.0 GDIT engine with a series of advanced innovations such as a Miller cycle, electronic water pump, 12:1 high compression ratio, and a thermal efficiency of up to 38%. All of which reduces fuel consumption and emissions but still delivers remarkable performance.

The mighty 2.0L engine delivers a power output of 150kW, between 6,000 - 6,300 r/min, and a peak torque of 320Nm, between 1,500 - 4,000 r/min.

The intelligent AWD system transforms your driving experience with a seamless transient response and torque distribution, allowing the front and rear axles to operate at a 50/50 ratio.

The H6 features All-terrain management which allows for maximum traction & stability in tougher driving conditions and in different terrains.

Intelligent mobility.

Every detail of the HAVAL H6 has been crafted to be responsive and efficient, giving you extra peace of mind. Boasting Level 2 advanced automatic driver assistance like Traffic Sign Recognition (TSR), Lane-Keeping Assist, Adaptive Cruise Control and more.

ACC (Adaptive Cruise Control) + ICA (Intelligent Cruise Assistance) + TAJ (Traffic Jam Assistance)

TSR (Traffic Signal Recognition)

LKA (Lane-Keeping Assist)

Be connected and in control.

At the heart of the HAVAL H6 is a tech-savvy infotainment system that turns any task into a small tap on a screen. No matter where the journey takes you, stay connected to the outside world with a convenient wireless smartphone charger, CarPlay and Android Auto.

Carplay & Android auto

Wireless Charge

Premium peace-of-mind.

The HAVAL H6 boasts an intelligent suite of safety features, so you can spend more time enjoying the journey. Cruise with confidence on any journey with Autonomous Emergency Braking, Adaptive Cruise Control, Lane-Keep Assist and Rear Cross-Traffic Alert.

360° AVM (Around View Monitor System)

Smart Collision Avoidance

Lane Change Assist

Electronic Stability Program (ESP)

Autonomous Emergency Braking (AEB)

6 Omni-directional Airbags

71.61% High-strength Steel Body

Signature sophistication.

Inspired by a fusion design of Asian and European influences, every design detail has been fine-tuned and crafted with a purpose and sense of sophisticated elegance.
